

HOTEL

A modern hotel interior featuring a large window with dark curtains and sheer white drapes. In the foreground, two grey upholstered armchairs with black frames are positioned around a round coffee table with a dark green marble top and a black ribbed base. To the right, a bright orange, glossy, tiered ottoman is visible. In the background, a small round table with a black ribbed base and two chairs with orange seats is set near the window. The floor is made of dark wood in a herringbone pattern. A large glass pendant light hangs from the ceiling, and a security camera is mounted on the wall.
